Eco Church

We are working towards an Eco Church Bronze Award. We have set some initial targets and each week we will share the targets with you.

This week, our targets are:

- 1) To start counting copies of the Pulse left over each week and reduce printing numbers accordingly.**
- 2) To encourage people to read the Pulse online rather than have a paper copy.**
- 3) To encourage people to receive one-off 'special' orders of service by email and then to bring their tablets/smart phones to church to follow the a service on, rather than paper copies.**

If interested, please sign the pledge sheet at the back of church.
